

## Prerequisites

### Operating system

- Windows 7 Professional (64 bits)
- Windows 8 Pro (64 bits)
- Windows 10 Pro (64 bits)

### Minimal hardware configuration

- i5 processor,
- 6 GB RAM (or more)
- Graphic Card 2GB
- Screen resolution: 1920 x 1080
- **For a USB license:** a Transcend or Kingston stick, if possible USB 3.0 for optimal performances

**JAVA Environment:** JAVA version 8 (or more), 64 bits

To figure out if Java is installed and which version, type `java -version` in a command prompt :
