Create new licence	<input checked="" type="radio"/> <input type="radio"/> Choose a licence
<input type="button" value="Browse"/>	E:\License-PM

## 3/ License activation

Click now on the  button to activate your licence.

**Beware : an Internet connection is mandatory to activate the license !**

To activate the license, switch to English then choose the option below and click on **Next** :

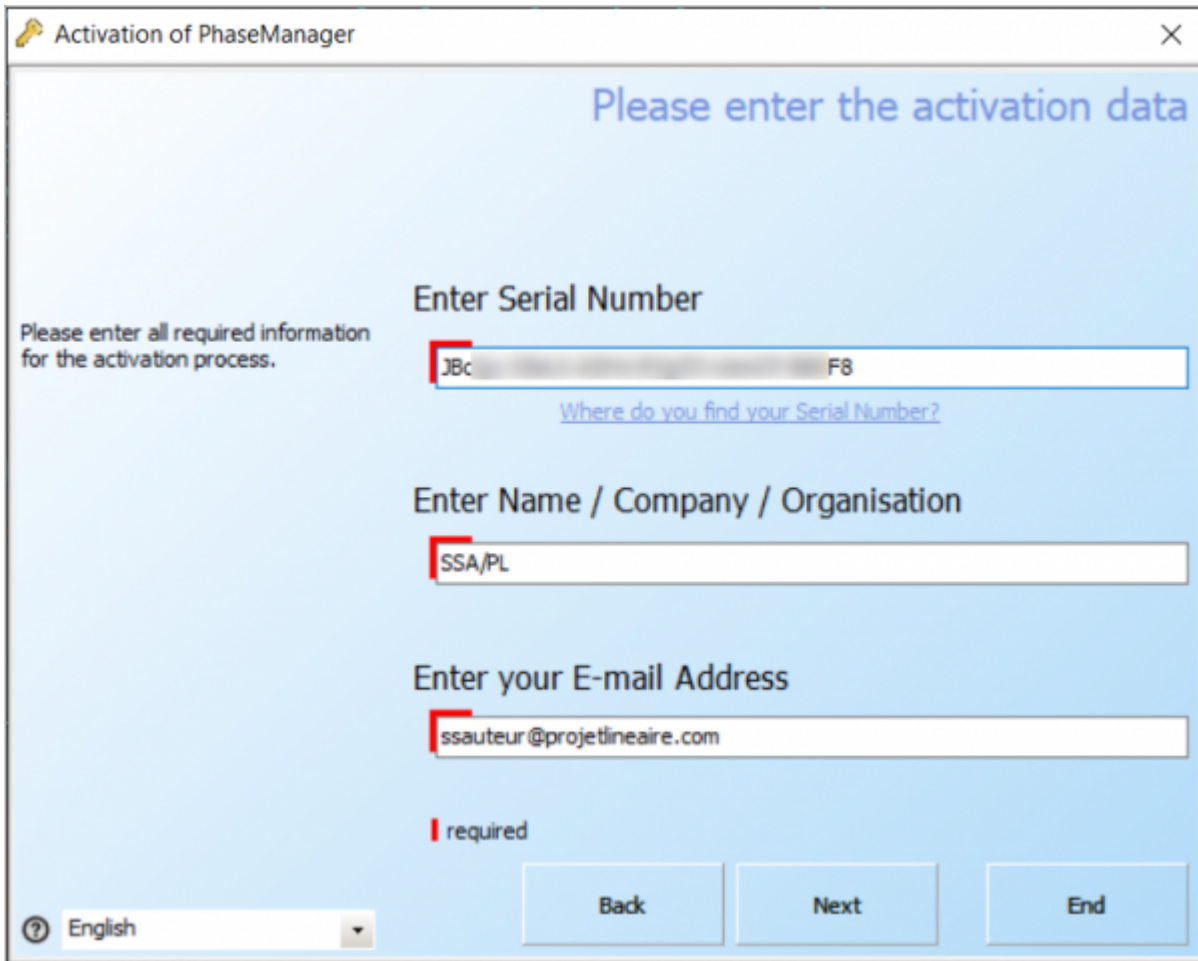

The screenshot shows a window titled "Activation of PhaseManager" with a close button in the top right corner. The main content area has a light blue background and the text "Welcome to PhaseManager" in blue. There are two radio button options:

- I have a Serial Number and I want to activate PhaseManager**  
Enter the Serial Number to activate PhaseManager.
- I want to evaluate PhaseManager (there are 14 day(s) left to evaluate)**  
You can evaluate PhaseManager for another 14 day(s). After that you have to activate PhaseManager to further use the product.

Below the options, there is a language dropdown menu set to "English" with a question mark icon to its left. At the bottom right, there are two buttons: "Next" and "End".

- Fill-in all required data then click on Next:
- **The Serial number is the Activation Key that's been used at step 2 in the license configurator**

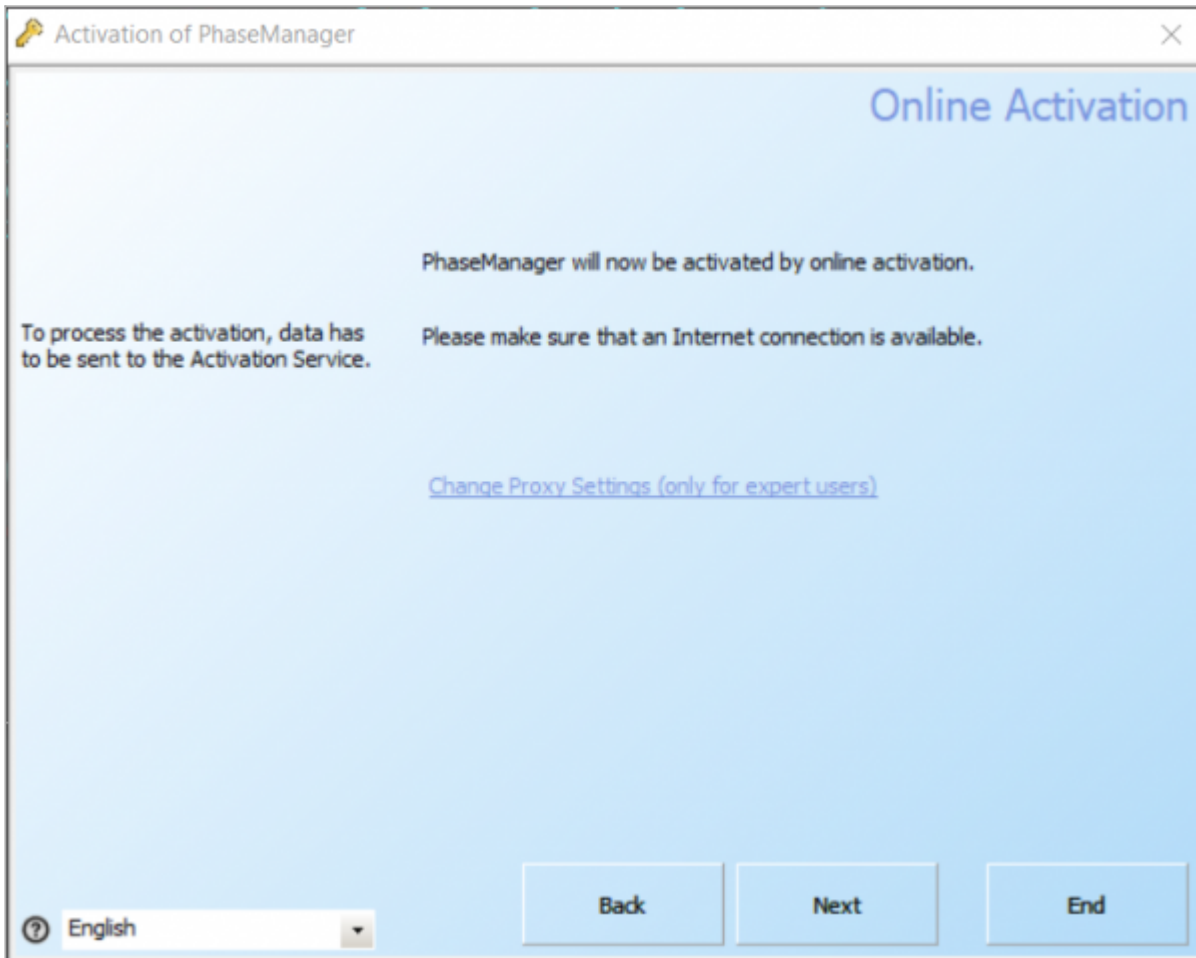

The screenshot shows a window titled "Activation of PhaseManager" with a close button in the top right corner. The main heading is "Please enter the activation data". On the left, there is a note: "Please enter all required information for the activation process." The form contains three input fields, each with a red bracket on the left indicating a required field:

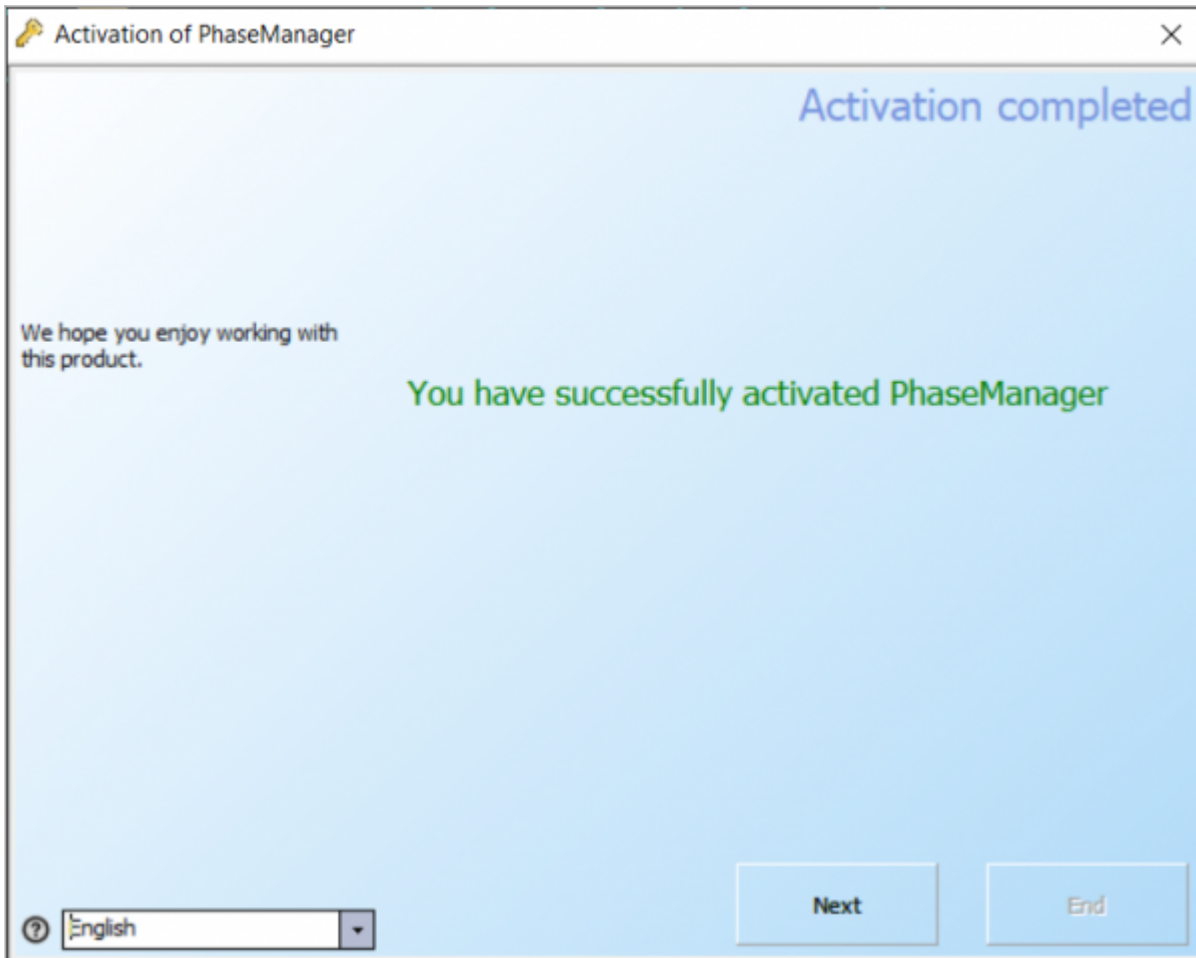

- Enter Serial Number:** The input field contains "JBc" and "F8". Below it is a blue link: "Where do you find your Serial Number?".
- Enter Name / Company / Organisation:** The input field contains "SSA/PL".
- Enter your E-mail Address:** The input field contains "ssauteur@projetlineaire.com".

Below the input fields, there is a red vertical bar followed by the text "required". At the bottom left, there is a language dropdown menu set to "English". At the bottom right, there are three buttons: "Back", "Next", and "End".

- Check that you ARE connected to INTERNET then click on Next:

- If the following message is displayed, that means that Phase Manager did activate right. Click on Next to run Phase Manager:
