

The screenshot displays the Phase Manager software interface with a yellow background and a construction crane illustration at the bottom. It features five main panels:

- Current project:** Displays project metadata including Name (Demo SIG final), Description (VRD), Manager (Fabien GABORIAU), Start date, End date, Last save (24/02/2020 11:36), Folder (C:\Users\Public\Documents\PhaseManager4\Projet\Demo SIG final), and Size (4.4 Mo).
- Drawing:** Shows a map-based drawing of a road layout with green areas and a blue water feature.
- Language:** Includes a globe icon, a dropdown menu set to 'en', and three icons for home, refresh, and share.
- Workspace:** Shows a file browser with the path C:\Users\Public\Document... and a list of workspace items: Demo Clipping, Demo SIG final, My project, and Projet Demo.
- Version:** Displays 'Phase Manager version : 4.0.7' and 'Version is up to date.' with a refresh icon.
